)	Time: 10:00 a.m.
)	Courtroom: 1
)	Before: Hon. Samuel Conti

I, Ed Haddad, declare and state as follows:

1. If called upon to testify to the facts stated herein I could and would do so fully and competently based upon my personal knowledge of same.
2. I am over 18 years of age and the President of Plaintiff, Houtan Petroleum, Inc., which company owns and operates the service station, located at 101 E. El Camino Real, Mountain View, California 94040 (hereinafter referred to as the "Premises").
3. Houtan Petroleum is currently operating the gasoline station at the Premises as an unbranded (independent) station.
4. Houtan Petroleum, Inc. has offered and is still willing to be responsible for each of

1 the following during the pendency of this lawsuit, until ConocoPhillips' compliance with the
2 PMPA, or lack thereof, can be decided on the merits:

3 a. Houtan would be responsible for all environmental obligations from the
4 date Houtan acquired possession of the station property, immediately after the expiration
5 of the underlying lease between ConocoPhillips and the landlord;
6

7 b. Houtan would be responsible for all real estate property taxes to the extent
8 required by its lease with the landlord;

9 c. Houtan would have the right to maintain and repair the equipment and
10 improvements, but shall not be obligated to do so;

11 d. ConocoPhillips would also have the right to maintain and repair the
12 equipment and improvements, but shall not be obligated to do so;

13 e. ConocoPhillips would have access to the station premises during the
14 pendency of the litigation to conduct any necessary certification, testing, auditing,
15 monitoring or investigation related to its equipment and improvements only;
16

17 f. If ConocoPhillips prevails in the litigation, or if Houtan prevails but the
18 parties fail to agree on the terms of the sale of the equipment and improvements,
19 ConocoPhillips would have access to the station premises for a reasonable period after the
20 conclusion of the litigation to conduct any environmental or other necessary work and to
21 remove its buildings, equipment and improvements;
22

23 g. Houtan would execute a mutually acceptable access agreement giving
24 ConocoPhillips access to the property to conduct the above-referenced maintenance,
25 repairs and testing.
26

27 5. Additionally, it should be noted that Houtan Petroleum has already secured
28 liability Storage Tank insurance for one million dollars (\$1,000,000.00) for each occurrence and

1 two million dollars in the aggregate (\$2,000,000.00) that includes ConocoPhillips as an additional
2 insured on the property, exclusive of defense costs. Attached hereto as **Exhibit "J"** is a true and
3 correct copy of the Storage Tank Certificate of Insurance to Demonstrate Financial Responsibility.
4 ConocoPhillips is identified as an additional insured on the Additional Insured(s) Endorsement
5 found toward the end of the document. For ease of reference, a true and correct copy of this
6 Additional Insured(s) Endorsement is attached hereto as **Exhibit "K."**
7

8 6. If ConocoPhillips is permitted to remove its equipment and improvements, the
9 subject station property that Houtan Petroleum is currently leasing, would be left as an empty dirt
10 lot. This would cause Houtan Petroleum to suffer an irreparable loss to the entirety whatever
11 business goodwill it has left, as well as a devastating complete loss of income at the station.
12

13 I declare under the penalty of perjury under the laws of the United States of America and
14 the State of California that the foregoing is true and correct.

15 Executed this 3rd day of January, 2008, in Mountain View, California.
